## AGE CONTOUR AND NEW SKIN DROPS SHADE, ISDIN

ISDIN introduced two new products in the US: ISDIN Age Contour plus a new shade in their ISDINCEUTICS Skin Drops collection. ISDIN Age Contour is a triple-action face and neck cream that aims to reduce jawline sagging and glycation in the skin as well as protect against pollution. And the latest shade in ISDINCEUTICS Skin Drops collection is Caramel. Existing shades include Sand and Bronze. Shades can be used separately or combined to find the perfect match for an individual's skin tone. This lightweight, liquid foundation can be used to conceal tattoos, vitiligo, melasma, bruising, and acne scars. Skin Drops provides 12 hours of coverage. [isdin.com/us](http://isdin.com/us)

## SCRUB WATCH, SPEIDEL

Speidel has launched a new Scrub Watch collection, specifically designed for medical professionals with a stylish, easy-to-read white dial with 12- and 24-hour markers, along with a highly visible red second hand to ensure accurate patient pulse readings. Available in seven different colors to match popular scrubs and work uniforms, the watches are easy to clean and provide the highest quality of fashion and clinical usage, the company says. The Scrub Watch fits wrist sizes from 6.7 inches to 8.3 inches, is water-resistant, and unisex. Speidel's Scrub Watch retails for \$49.95 and is available online. [speidel.com](http://speidel.com)

## TRIHEx TRANSITION DUO, ALASTIN SKINCARE

Alastin Skincare, Inc. launched its TriHex Transition Duo. The TriHex Transition Duo includes a full-size Regenerating Skin Nectar for use pre- and post-procedure and a transition-size Restorative Skin Complex for ongoing skin maintenance, in an easy-to-use Duo pack. Both products leverage Alastin's TriHex Technology, which maximizes the skin's natural ability to repair itself and to produce new collagen and elastin both before and after anti-aging treatments. TriHex Technology helps rebuild and recycle the skin's extracellular matrix (ECM) by clearing out byproducts of aging from exposure to sun and pollution. The TriHex Transition Duo can be purchased from Alastin Skincare aesthetic physicians' offices. [Alastin.com](http://Alastin.com)

## TITAN BY SILK'N FOR HOME USE, SILK'N

Silk'n is now offering Titan by Silk'n for at-home skin tightening and lifting. Titan combines infrared energy to increase blood circulation and improve skin tone and texture, LED light energy to boost collagen production along with RF energy to contract connective tissue, remodel collagen, and strengthen elastin to lift and tighten sagging skin.

"Titan by Silk'n is the most advanced device for at-home use, and it has proven results," said New York City dermatologist Judith Hellman, MD, in a news release. "For

those who are not looking to pursue in-office skin treatments, Titan delivers an affordable, safe and effective way to achieve younger looking skin with a healthy glow. And for those pursuing in-office treatments, it extends and magnifies the results." [silkn.com](http://silkn.com) ■
